

The NTS Certificate in Nutrition Farming®

Don't miss this life-changing seminar led by internationally acclaimed soil health specialist, **Graeme Sait**. Learn cutting-edge strategies to improve the health of your farm, your planet and yourself.

Next Seminar: Monday 25th – Thursday 28th February, 2019

Graeme Sait

Graeme is the CEO and co-founder of Nutri-Tech Solutions (NTS), a world leader in sustainable agriculture. He is also an author/educator responsible for over 300 published articles and a popular book, "Nutrition Rules!". He also created the internationally acclaimed 'NTS Certificate in Nutrition Farming®'. Graeme is a sought-after speaker, specialising in soil health, plant health and animal health. More recently, that emphasis has expanded to include planetary health, in recognition of the link between humus and carbon sequestration.

Graeme has had a major impact influencing farmers, consultants, governments and key decision makers in Canada, USA, Mexico, Brazil, Europe, Asia, India and of course, Australia and New Zealand (his home country).
