

Life Force® Gold™

A “fusion fertiliser” covering all bases. A nutrient-rich fertiliser, soil conditioner and microbial inoculum all-in-one.

NTS have developed a complete fertiliser covering every aspect of plant and soil nutrition. Life Force® Gold™ is the bridge between conventional agriculture and organics, literally containing the best of both worlds. This new generation fertiliser epitomises the NTS approach toward high yield, sustainable agriculture. Fusion farming is the key to maximum production, crop quality and real fertilisers, which build soil fertility while feeding both the soil and the plant.

BENEFITS

- A total fertiliser involving over 20 components.
- A “living fertiliser”, where organic acids and microbes have complexed the component minerals and nutrients.
- Organic carbon and minerals build crop quality.
- The largest selling NTS home garden fertiliser.
- The perfect ‘complete’ option in the absence of a soil test.
